Battlefield 2 Patch 1.5 Available

Over four years since Battlefield 2 launched comes the latest update, version 1.50 which is available to download NOW!

The 2Gb download includes one of the biggest list of changes since Battlefield 2 launched as well as new map by Bjorn Sundell, Operation Blue Pearl, both Armored Fury and Euro Force booster packs for FREE and Highway Tampa becoming a requirement giving EIGHT new maps that everyone will have and be able to play on ranked servers without worry of dropping out.

To see the full list of changes check out the changelog here:

http://blogs.battlefield.ea.com/bf2_2142/archive/2009/08/27/battlefield-2-update-v1-50-is-almost-here.aspx

Grab the download from one of our ranked server hosts and mirror sites, You will need Battlefield 2 updated to v1.41 before you can install this update (get the full 1.41 update from

The Battlefield 2 Patch History movie was basically made in connection to the V1.50 patch release. We wanted to show the world what's actually happened with Battlefield 2 during these four years, from release. Things got worse, and things got better but we can all agree that Battlefield 2 definitely is one brilliant game!
